Office Order

Sub: - Collection of Ground Water samples.

The sampling of the ground water is being done by Board in catchment of river Yamuna and Ghaggar and the results of analysis reports for the ground water are being uploaded on the website of HSPCB. It is desirable that all the Regional Officers and Field Officers of the Board should check the results on the website and get the data updated. The action for the non-complying ground water locations should be taken spontaneously.

In view of above, it is hereby ordered that all the Regional officers and Field Officers should collect ground water samples in each half of the year on six monthly basis and comply with the above instructions meticulously on regular basis.
