**Point 8 Details of proposed awareness programs:**

Domino India acknowledges its responsibilities towards environment protection and scientific E-Waste recycling as a leading seller of specialized printing solutions. We have drafted a plan to carry out our responsibilities towards raising awareness toward the E-Waste problems and its scientific, legal solutions given below:

- We have designed a comprehensive buy back & schemes that extends to accept all kinds of E-Waste and not only our products. We will Upload full details about locations and their address, contact persons, materials accepted, packing guidelines, Dos & Don'ts etc on our website .
- Sticker on all our products conveying a brief message to dispose E-Waste safely through our EPR schemes and guidance to access our web link for full details.

Additionally, we will disseminate information through all our communications with :

- Clients & Prospective Clients , Vendors & Associates
  - o Invoices,
  - o Brochures,
  - o Proposals
  - o E-mail signatures

Our industry leading, innovative products are used by companies in FMCG, Pharmaceuticals, Tobacco, Grooming and all others where packaging is relevant. So the message will go to all these companies.

- General Public through insertion into our advertising and marketing messages across various media. .
- We will submit details of our buy back & exchange schemes by beginning of Quarter 2, 2018-19
