

Brief On General Scheme of Collection (Extended Producer Responsibility Plan)

We, PUSHPA ELECTRONICS have empanelled E waste recyclers India registered with Haryana Pollution Control Board for collection and further processing of our E-waste.

- ✓ As a part of agreement E waste recyclers India will collect E-waste from PAN India and process the same at their Plant in M/s EWRI, Nuh, Haryana for this they have reverse logistics arrangement in place with Om Logistics Ltd.
- ✓ E waste recyclers India our E-waste management partner has obtained all the authorisation related to E-waste recycling from Haryana Pollution Control Board and having all connects related to Air/Water/Hazardous Waste. They have the capacity of 667 MT.

Keeping in view our sales volume and generation of E-waste we have decided to follow the below mechanism in our organization for collection E-waste:

Customer Reach:

According to our agreement with E waste recyclers India if any individual wants to handover their old product they can reach or call our E-waste recycling partner toll Free No. 1800-102-5679 where their representative will explain the caller about the process of E-waste and will guide them about the nearest collection point to drop off their old, obsolete product and in lieu they will further be informed about the incentive that can avail from our organization.

Our Reach to Customer:

Our E-waste recycler has PAN India Collection ability through their Reverse logistics arrangement with Om Logistics Ltd., so if any customer calls on our e-waste recycler toll free no. 1800-102-5679 and wants to handover their material from their premises then reverse collection will be arranged from their door step.

Final Processing:

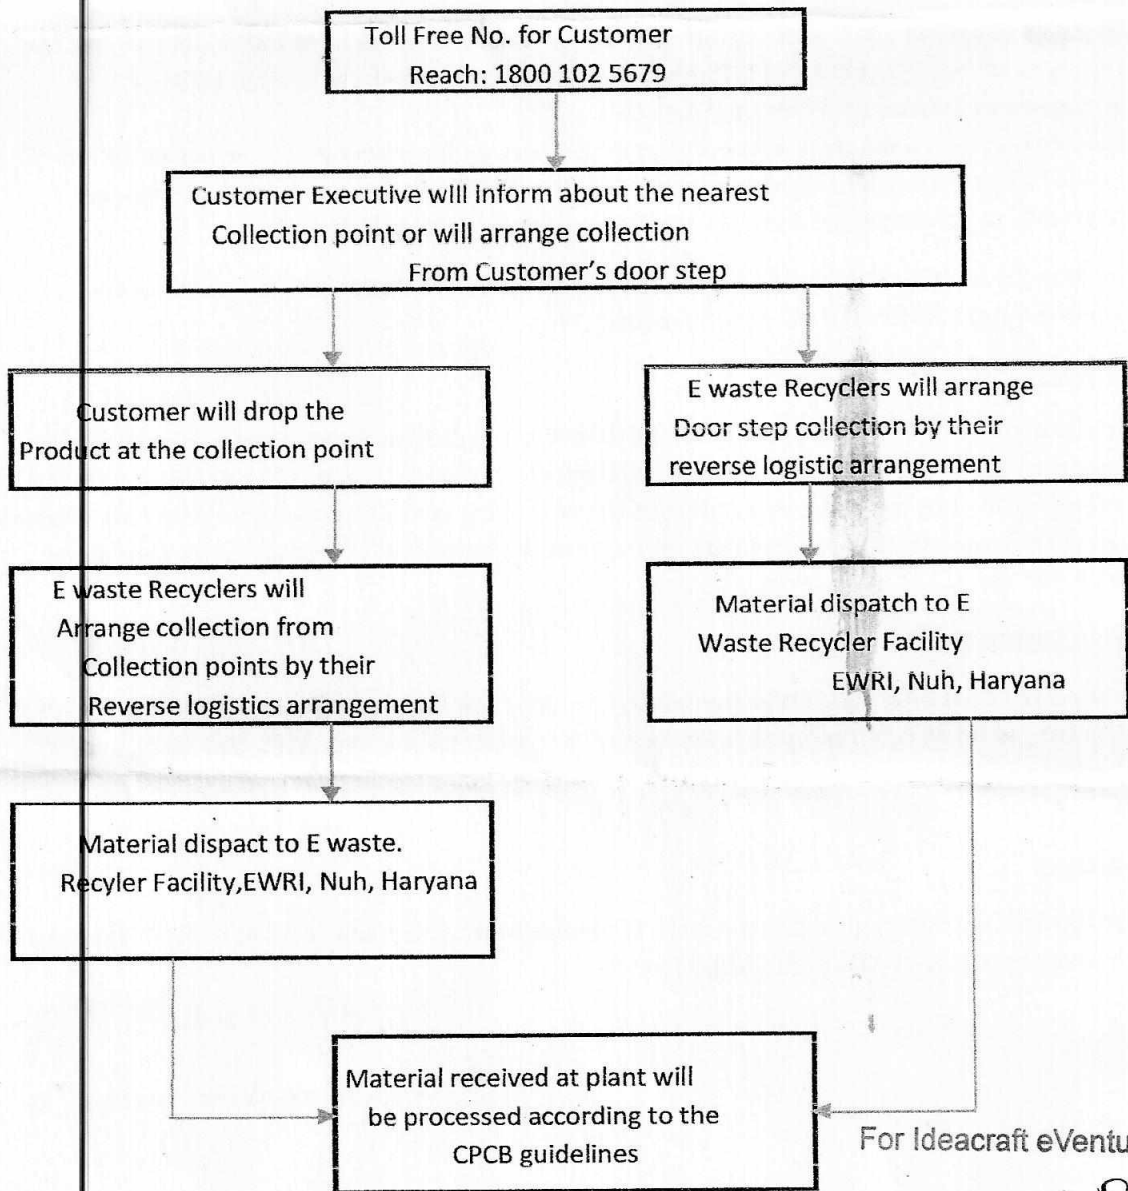

In both the above collection mechanism the collected material will reach our recycler's facility for the final Processing of E-waste at M/s EWRI, Nuh, Haryana.

Proposed Awareness Program

IDEACRAFT EVENTURES PVT LTD ensure to create awareness amongst our customer about the handling of Electrical and Electronic Equipment Waste and channelisation to the approved and authorised E-waste Recyclers according to the E-waste (Management) Rules 2016.

Lack of awareness amongst the people about the ill effect of E-waste handling by the unorganized sector is a major concern in our country. For reducing the adverse effect on our environment and our health we need to initiate sustainable mechanism to create the awareness about the safe disposal of E-waste.

IDEACRAFT EVENTURES PVT LTD will initiate an awareness program Social Media, workshops, training, user manual, booklet brochures and logs:

1. Social Media:

We also try to provide awareness to all by the means of social media like Facebook, and providing advertisements and posters so that each and every customer would be aware about how to handle the E-waste.

2. Workshops:

We will also conduct region wise awareness program and workshops at specific period of time and invite various stakeholders to attend the same and we spread awareness about the hazardous content contains the electronics goods. We will also educate our stakeholders about benefits of the recycling of electronic goods.

3. Training:

At the time of sales of the electronic goods, the customer are provide training about how to use that electronic goods and at the end of the life of each products, it should be disposed as per E waste management rule and should not be left in open environment.

4. User Guide/Booklet/Brochures:

It will be provided to customers for handling e-waste as collection and recycling arrangements with proper guidelines as per E-waste management rule 2016.
