**MINUTES OF MEETING OF PUBLIC HEARING**

<b>PROJECT</b>	<b>SAND MINING PROJECT</b>
<b>PROJECT PROPONENT</b>	<b>M/S DARSH BUILDINFRA PRIVATE LIMITED THROUGH GURPREET SINGH SABHARWAL</b>
<b>CATEGORY UNDER EIA NOTIFICATION</b>	<b>1 (A)</b>
<b>MEETING VENUE</b>	<b>COMMUNITY CENTRE AT VILLAGE DOSTPUR, DISTRICT PALWAL, HARYANA</b>
<b>MEETING DATE &amp; TIME</b>	<b>10<sup>TH</sup> MAY 2023, 12:00 NOON</b>
<b>MEETING TYPE</b>	<b>OFFLINE</b>

**Minutes of Public Hearing under the provisions of EIA Notification, 2006 conducted for the Proposed Sand Mining project at Village Dostpur, Tehsil & District: Palwal, State : Haryana (Mining lease area: 65.98 ha ), with Production capacity 2916000 TPA by M/s DarshBuildinfra Private Limited through Gurpreet Singh Sabharwal**

The following Government Officers took part and conducted the Environmental Public Hearing:

1. Dr. Anand Kumar Sharma, ADC, Palwal
2. Sh. Vijay Chaudhary, Regional Officer, HSPCB, Palwal.
3. Smt. Kamlesh, Mining Officer, Palwal.

The following representatives of M/s DarshBuildinfra Private Limited were present:

1. Sh. Gurpreet Singh Sabharwal
2. Sh. PardeepGoyal
3. Sh. MohitGoyal

The following representative of EIA Consultants of Eco Paryavaran Laboratories & Consultants Pvt. Ltd. (QCI-NABET Approved EIA Consultant)

1. Dr. RitambharaUpadhyay
2. Sh. Ajay

Dr. RitambharaUpadhyay, conveyed her invitation to the A.D.C. and Regional Officer for their August presence at the Public Hearing. She has presented the Project Synopsis and EIA study with a Powerpoint Presentation to the public present in the occasion. She has briefed about the salient features of the project, the baseline observations, impacts and mitigation measures undertaken and proposed by the project proponent. The essence of her presentation consists:

1. The proposed project involves mining of mineral i.e. sand from the bed of river Yamuna, at a part of Village;-Dostpur, Tehsil: Palwal, District: Palwal, State : Haryana from an auctioned area of 65.98 Ha.

2. The total cost of the project is Rs. 3.65 Crores. Industry will also provide the employment to about 56 persons from the nearby area based on their eligibility.
  3. The applicant, has applied for Environmental Clearance on 17.02.2023 at MoEFCC, GoI and the SEIAA, Haryana had considered the application and granted Terms of Reference (TOR), vide File No. SEIAA/HR/2023/316 dated 23.02.2023 and also asked to conduct the public hearing on this project. Accordingly, the public hearing is being carried out today at this place.
  4. It was presented that the mine location does not fall under any sensitive zone.
  5. The mining proposed by opencast semi- mechanized method without drilling and blasting.
  6. It will start from one end (higher level) to other end (lower level) phase wise/ bench wise going to the maximum depth of 3.0 mbgl or above ground water level whichever is less.
  7. The minor mineral i.e. sand is proposed to be excavated by backhoe type excavator/JCB and directly loading in to trucks/dumpers & dispatch to market.
  8. The loading of the mineral shall be mechanical while transport of mineral from river bed shall be done by private trucks/ dumper operators (which should be covered by tripal).
  9. Total lease area is replenishable yearly.
  10. Mineral extraction will be done for a period of about 270 days in a year.
  11. About 7.0 KLD approx. water will be required for Drinking & Dust Suppression / Plantation & Source: Tankers (Necessary permission for Ground water extraction will be obtained from Haryana Water Resources Authority. Application for same has been submitted. (Application no HWRA/IND/N/2023/5788)
  12. Out of 65.98 Ha lease area, 15 ha area will be covered under Greenbelt/Plantation. In consultation with village Panchayat, plantation will be done along the roads, in schools and public building and other social forestry programme.
  13. Adequate measures will be adopted to minimize the impact of pollutants generated from mining activities.
  14. Project Proponent should provide Anti smog guns for controlling of Air Pollution.
- Sh. Gurpreet Singh Sabharwal anticipated that the management will put all efforts to implement the suggestions given in EIA Report. There will not be any pollution problem from this mining. He then sought public opinion on the project and express willingness to clarify their queries. Sh. Vijay Choudhary, R.O. HSPCB, Palwal asked the public to submit their queries/ suggestions.

## Pointwise Questions and Reply presented to the Public

S.No.	Questions	Replies
1	Shri, Mohanlal an ex-serviceman of Village Dostpur believes that some part of mining site falls in private property of villagers. He told that mining activities may create flood like situation in the area and gave application on behalf of villagers regarding submergence of their agricultural fields.	<b>Reply by Project Proponent-</b> With the consent of land owners, mining will be done only in the auctioned area, other area will not be disturbed. Project proponent has informed that due to the proposed sand mining activities desiltation of the riverbed will take place so that the river water will not enter the agricultural fields or habitation.
2	Sh. Nake told that 50-60 years ago, there was a nala in this region but stream has changed its direction of flow towards Haryana.	<b>Reply by Project Proponent-</b> Our mining activities will not divert the flow of water
3	Sh. Bhagwan Sharma a Villager of Dostpur had the same concern as mentioned above and also for Chhainssa village construction of pukkah Bundh demand was raised.	<b>Reply by Project Proponent</b> –Will be taken into consideration.
4	Sh. Jagdeesh Singh, Numberdar of village RajupurKhadar demanded construction of retaining wall on bank of river to protect crop fields from floods.	<b>Reply by Project Proponent-</b> construction of retaining walls will be taken care by irrigation department and we will help in persuasion
5	Sh. Vijay Chaudhary, Regional Officer (RO), had concerns about the negative impacts of mining on migratory birds due to loss of their breeding ground. Second question was	<b>Reply by Project Proponent-</b> Greenbelt is proposed to be developed in consultation with village panchayat. Natural flow of river is not altered so the breeding grounds of migratory birds will not be disturbed. PUC certified vehicles will be used for transportation, minimal use of pressure horns

	regarding mitigation measures that will be taken to minimize air pollutants (dust) and reduce noise that will be generated during transportation.	and vehicular transportation will be kept less during opening and closing hours of school and other necessary care will be taken during transportation. Water sprinklers will be used on haul roads to minimize the generation of air pollutants. Anti smog guns will be provided at site.
7	Villagers ask for compensation since according to them some part of site falls in private land.	<b>Reply by Project Proponent</b> -Land owners were compensated and with their consent only, the mining lease area, was proposed for sand mining activities.
8	Additional Deputy Commissioner, Palwal, Dr. Anand Kumar Sharma, assured that all queries are noted down and will be taken into consideration. Valid demands will be fulfilled and any matter related to land ownership will be taken to appraisal bodies	<b>Reply by Project Proponent</b> -Assured that mining activity will be carried out after fulfilling all the mentioned demands and necessary formalities

As there were no further questions, Sh. Vijay Chaudhary, R.O. HSPCB, Palwal Region closed the ceremony of Public Hearing with the permission of Dr. Anand Kumar Sharma, Additional Deputy Commissioner, Palwal.

During public hearing, it was observed that participants from nearby villages were satisfied with the answers given by the representatives of project proponent regarding questions raised by participants.

Sh. Vijay Chaudhary, R.O. HSPCB, Palwal Region thanked the public for attending the public hearing.

The Public Hearing was concluded with the vote of thanks to the chair.

  
Dr. Anand Kumar Sharma,  
Additional Deputy Commissioner,  
Palwal

  
Vijay Chaudhary, Regional Officer  
Haryana State Pollution Control Board
