**PUBLIC HEARING FOR ENVIRONMENT CLEARANCE**  
**(As per EIA Notification dated 14<sup>th</sup> September 2006)**

**Project Name- "Embridge Civil Corporation Proposed Sand mining project having capacity of 7,96,500 TPA over an area of 22.96 ha located at Shergarh Tapu Block, Village Shergarh ,Tehsil & District -Karnal, Haryana. Date of Public Hearing – 20<sup>TH</sup> June 2023, 10:00 AM**

**MEETING TYPE - Offline**

**Place of Public Hearing - PROJECT SITE AT Shergarh Tapu Block, Village Shergarh ,Tehsil & District -Karnal, Haryana.**

Public Hearing was conducted by Haryana State Pollution Control Board on 20TH June 2023, 10:00 AM for "Proposed Sand mining project having capacity of 7,96,500 TPA over an area of 22.96 ha located at Shergarh Tapu Block, Village Shergarh ,Tehsil & District -Karnal, Haryana by Embridge Civil Corporation.

Minutes of Public Hearing held on 20.06.2023, at project site at Shergarh Tapu Block, Village Shergarh ,Tehsil & District -Karnal, Haryana.

The Public Consultation (Hearing) was held as a mandatory requirement under EIA Notification dated 14.09.2006 and amended till date. Notice for public hearing was issued by the Member Secretary, Haryana Pollution Control Board Dated **20<sup>th</sup> June 2023**, wherein date of Public hearing was fixed as **20<sup>th</sup> June 2023**. Wide publicity was given to the public through newspapers (English Tribune and Hindi) and letters to the District Officers & Village Panchayats (**Copy of News cutting and notices are attached as Annexure- A**).

**The public hearing was attended by the following officers (List attached as Annexure-B):-**

1. Sh. Anubhav Mehta, SDM, Karnal.
2. Sh. Shailender Arora, Regional Officer, HSPCB, Karnal,
3. Dr. Pardeep Medical Officer.
4. Smt. Ashtha Garg, BDPO, Karnal.
5. Sh. Niranjn Lal, Mining Officer.
6. Sh. Nipun Gupta, EE, HSPCB, Karnal.

7. Dr. Amrik Singh.
8. Sh. Ved Pal J.E., Irrigation department
9. Sh. Rajesh, DIC, Department Karnal.
10. Sh. Sat Parkas.

The list of Public attended hearing is attached as **Annexure-C**.

1. At the very outset Sh. Shailender Arora, Regional Officer ,Haryana state Pollution Control Board ,Karnal Region welcomed Sh. Anubhav Mehta, SDM, Karnal, other officers of the District Administration and all the persons form the nearest Villages present in the public hearing .He then requested SDM ,Karnal for permission to start the proceeding of the Public Hearing.

After obtaining the permission from the chair to start the proceedings of the Public Hearing ,Regional officer ,HSPCB Karnal Region briefed about the requirement of conducting Public hearing as per the provision of EIA notification 14.09.2006 for the proposed **project having capacity of 7,96,500 TPA over an area of 22.96 ha located at Shergarh Tapu Block, Village Shergarh ,Tehsil & District -Karnal, Haryana by Embridge Civil Corporation** as the project falls under Schedule 1(a) Mining of Minerals under the schedule of EIA Notification ,2006 and categorization as category B.

The representative of EIA Consultant of M/s Aplinka Solution & Technologies Pvt. Ltd. Noida, Uttar Pradesh described the details of Proposed Project, which are as under:-

1. He informed that an application was filled by M/s **Embridge Civil Corporation** with the SEIAA, Haryana for getting Environment Clearance under EIA Notification no 1533 (E ) dated 14.09.2023 for the proposed **project having capacity of 7,96,500 TPA over an area of 22.96 ha located at Shergarh Tapu Block, Village Shergarh ,Tehsil & District - Karnal, Haryana by Embridge Civil Corporation.**
2. After considering the application of the PP, the SEIAA ,Haryana has issued 'Terms of Reference" to the project for preparation of the Draft EIA study report. Now, the proponent has submitted "Draft EIA report to HSPCB for conducting public hearing of the project as per the procedure prescribed in the EIA Notification dated 14.09.2006.

3. Following control measures will be taken by project proponent:

- Road will be maintained in good condition by using local earth material.
- Regular leveling of transportation route.
- Sand mining will create temporary activity in the dry river bed, which will be replenished during monsoon.
- The mining will not be carried out below the river water level.
- Loaded vehicles will be covered with tarpaulin.
- PUC certified vehicles will be used.
- Overloading will be avoided.
- Plantation will be carried out along the approach road and vicinity area.
- Periodic air quality monitoring will be done and adequate measures will be done.
- Proper maintenance of vehicles will be done on regular basis.
- Necessary Personnel protective equipment will be provided to the workers.
- Adequate silencers will be provided in all the diesel engines of vehicles.
- Minimum use of horns and speed limit of 10km/hr in the village area.
- Plantation will be carried out along the approach road and vicinity area.
- Monitoring of water will be carried out periodically. Water analysis will be carried out seasonally.
- Regular monitoring of water levels and quality in the existing open wells and bore wells in the vicinity will be carried out.
- River streams will not be diverted to form inactive channels.
- Groundwater will not be intersected during mining activities.
- Mobile toilets will be made available near mine's office away from the river.
- Washing of vehicles in the river will be prohibited.
- Pollutant like dust, gaseous emanations will be minimized at the generation point itself and adequate measures will be taken to prevent their impact on environment.
- There is no forest in the core zone of mining lease area. So, there will be no deforestation due to mining.

- The mining lease area is devoid of vegetation. So, the greenery to be developed under green belt development programme in the village panchayat land and along the approach road will improve the floral environment of the area.
- No mining will be carried out during the monsoon season to minimize impact on aquatic life which is mainly breeding season.
- The lease area is not inhabited by any wild life, as there is no forest cover, hence there will not be any effect on migration or extinction of wildlife.

Project Proponent anticipated that the management will put all efforts to implement the suggestions given in EIA Report. There will not be any pollution problem from this mining. He then sought public opinion on the project and express willingness to clarify their queries. SDM Karnal, Karnal asked the public to submit their queries/ suggestions.

There were few representations by locals related to issues/ suggestions while public hearing,

**Questions/Answers session for General Public hearing on 20.06.2023.**

S No.	Name & Address	Raised issues	Answer of mine management/ their representative
<b>Verbal Comments</b>			
1.0	Sh. Kuldeep Singh Village-Shergarh Tapu	There will be harm to our land due to this project as it river water will be diverted in our land. This project shall not be established. The entire village is against this project.	<b>Project proponent</b> - Proposed mining work will help in protection of river banks by removing the sand bars which are in middle of project contract area. Further the mining will be restricted within the central 3/4 <sup>th</sup> width of the project contract area of Yamuna river.
2.0	Sh. Randhawa, Singh; Village Shergarh Tapu	Will you pay compensation if there will be bank erosion? How will you ensure that there will be no erosion while carrying out sand mining in the Yamuna river? Sir, yesterday we all	<b>Project proponent</b> - There will not be river bank erosion as proposed sand mining will be done as per the provision i.e. it will be restricted within the central 3/4 <sup>th</sup> width of river/rivulet. The project will follow the sustainable sand mining guidelines as amended thereof. A safety buffer zone will be left before the start of mine, total 5625

		<p>its outcomes we are submitting in the form of letter which have the signatures of all the villagers. We are submitting our objections/letter on behalf of gram panchayat. We all villagers are opposing this sand mining project due to following reasons</p> <ul style="list-style-type: none"> <li>• The 70% of village area falls under river Yamuna where its land chakbandi has not been carried out even after repeated requests and remaining 30 % area is available for agriculture.</li> <li>• So we do not have any benefits from this river bed mining project hence we are opposing it.</li> </ul>	<p>trees are proposed for plantation in safety buffer to check erosion, further stone stud in collaboration with irrigation department will be installed if required</p>
3.0	Sh. Satpal, Ex. Sarpanch Village Shergarh Tapu	<p>There was 35- 40 stone studs (Thokar) installed at the time when Choudhry Bansi Lal visited our village further 35-70 stone stud (Thokar) were installed to safeguard forest by new government. This is the only assets we have. You can get it checked. But If you forcefully want to allocate this area for mining then it's your wish.</p>	<p><b>Project proponent</b> - There will not be river bank erosion as proposed sand mining will be done as per the provision i.e. it will be restricted within the central 3/4<sup>th</sup> width of river/rivulet. The project will follow the sustainable sand mining guidelines as amended thereof. A safety buffer zone will be left before the start of mine, total 5625 trees are proposed for plantation in safety buffer to check erosion, further stone stud in collaboration with irrigation department will be installed if required.</p>
4.0	Sh. Sanjeev Sharma Village Shegarh Tapu	<ul style="list-style-type: none"> <li>• Who will be responsible for road get damaged due to mining.</li> <li>• 80 % employment should be given to local in the</li> </ul>	<p><b>Project proponent</b> - Project proponent will maintain village roads. Rs. 1.0 lakh &amp; Rs. 0.50 lakh/annum has been kept as capital and recurring cost</p>

		mining	<p>respectively for the road maintenance.</p> <ul style="list-style-type: none"> <li>• The District mineral fund will also be used for road maintenance.</li> <li>• We will ensure that as per qualifications maximum employment should be given to villagers.</li> </ul>
5.0	Sh. Gulab Singh Gram Shergarh Tapu	<ul style="list-style-type: none"> <li>• We already submitted application many times to mining department and had 20 meeting with MLA for road maintenance. But till date no work is taken up.</li> <li>• Also my brother has own land. His land shall be used for mining after compensation. We are supporting it.</li> <li>• Mining shall be allowed on land area by mining department.</li> </ul>	SDM- Karnal – Your request has been noted for record and as submitted by Project Proponent the District mineral fund will also be used for road maintenance
6.0	Sh. Devendra Singh, Karnal	<ul style="list-style-type: none"> <li>• How many people will get employment and will local person be appointed in mining.</li> </ul>	<p><b>Project proponent -</b></p> <ul style="list-style-type: none"> <li>• Except technical person all workers will be appointed from village as per their qualification.</li> <li>• 63 person will be given employee</li> </ul>
7.0	Sh. Gulab Singh Gram shergarh tapu	<p>You are going to ruin entire village agriculture land and against it providing employment to only 63 person.</p> <p>In private job even the milk and school fees of children get difficult to manage. We are mentioning that we have the issue of erosion and if their no land remains what we will do?</p> <p>Do you know how many people are getting involved</p>	<ul style="list-style-type: none"> <li>• <b>Sh. Vedpal, JE, Irrigation Department:-</b></li> <li>• There will be no bank erosion as mining will be done as per the provision i.e. it will be restricted within the central 3/4th width of river/rivulet.</li> <li>• Proposed mining work will not cause erosion of river bank. It will be carryout out without changing the natural path of river and required cleaning of path will be done to keep it clear.</li> </ul>

		<p>in agriculture?          In our village having 2500 population. The entire village will go under starvation.          We do not want any benefits from this project.          How you will give compensation for land as our no land is involved in mining contract area. Government did not hear us till now and no chuk bundi was done on our name. So how we will get compensation.          We have already submitted written complaint. We are against it.</p>	<ul style="list-style-type: none"> <li>• Till now no mining is taken place in this area so the river water getting into the land. But due to proposed mining the river get free flow in its natural path and no river water will enter into the land.</li> </ul>
8.0	Chairman, Zila Parishad, Karnal	Whether PP will provide free sand to the villagers	<ul style="list-style-type: none"> <li>• <b>Project proponent</b> - Sand will be given free to villagers who want to make their houses. It is commitment from project proponent that villagers will not require to pay money for sand purchase.</li> </ul>
9.0	Sh. Anubhav Mehta SDM - Karnal	Irrigation department please confirm what all work is being done by you to control bank erosion.	<ul style="list-style-type: none"> <li>• <b>Sh. Vedpal, JE, Irrigation department</b> -Whenever the problem of erosion occurs we make stud of stone at the erosion site to stop it. The work was also done 2018 in Yamuna River.</li> </ul>
10.0	Sh. Anubhav Mehta SDM - Karnal	<p>As public is asking share information of</p> <ul style="list-style-type: none"> <li>• Measures to stop bank erosion</li> <li>• employment bifurcation</li> </ul>	<p><b>Measures to stop bank erosion</b></p> <ul style="list-style-type: none"> <li>• The mining will be done in the Yamuna river in a manner that flow of river will not come towards the village land.</li> <li>• At present till now no mining work is taken place in allocated mine contract area thus the sand is deposited here and obstruct/block the smooth flow of river water. This Ultimately</li> </ul>

			<p>causing bank erosion by river.</p> <ul style="list-style-type: none"> <li>• Secondly the mining will be started after leaving buffer zone from the land and after that the sand will be dredged from river. The benefit of this is river water will start flowing forward direction in place of entering the land area. So it is help in protection river bank.</li> </ul> <p><b>Employment Bifurcation:-</b> Proposed employment requirement is as under:-</p> <ul style="list-style-type: none"> <li>• Manager – 1 person</li> <li>• Assistant managers( foreman)-2 person</li> <li>• Supervisory staff:- 2 person</li> <li>• Skilled personnel:- 8</li> <li>• Semi-skilled personnel:-40</li> <li>• Un-skilled:- 10</li> </ul> <p>Total 63 person will be involved.</p>
11.0	Sh. Shailender Arora, RO, HSPCB	What you will do for dust suppression?	<p><b>Project proponent</b> - Following measure will be adopted</p> <ul style="list-style-type: none"> <li>• Restricting truck speed within 10 km/hr</li> <li>• Covered transportation via trucks.</li> <li>• Water sprinkling of road</li> <li>• 6000 tree will be planted, out of which 400 on transportation route and 5625 sapling will be done on 7.5 m restricted zone.</li> </ul>
12.0	Sh. Shailender Arora, RO, HSPCB	<ul style="list-style-type: none"> <li>• What all the work will be done under CSR with gram panchayat.</li> <li>• Will there be any committee for CSR work, what will the role of gram panchayat in it.</li> <li>• Who will be involved in the committee</li> <li>• What will be frequency of</li> </ul>	<ul style="list-style-type: none"> <li>• <b>Project proponent</b> - CSR budget will be spent as per local requirement such as school building maintenance or road construction/maintenance or hand pump installation work or plantation work in village or whatever the suggested by villagers.</li> <li>• As per rule 2 percent of the</li> </ul>

		<p>regular committee meeting</p> <ul style="list-style-type: none"> <li>• What will you do for health related issue of villagers?</li> <li>• Will there be any health camp organization by you?</li> </ul>	<p>project cost amount will be spent under CSR.</p> <ul style="list-style-type: none"> <li>• For CSR a five member committee will be formed involving village members and company representative.</li> <li>• Every 6 month interval committee meeting will be organized and their suggestion will be applied for CSR work.</li> <li>• As per the suggestion of SDM sir CSR work will be done under guidance of elected sarpanch and with approval of gram sabha.</li> </ul>
13.0	Representative from health department.	<ul style="list-style-type: none"> <li>• As we have seen conjunctivitis, skin diseases Asthma, occurs due to particulate matter generates from mining. During mining what all the precautionary measures will be taken up so that villagers will not suffer.</li> <li>• What all the measures will be taken up for dust suppression which will be generated from mineral transportation.</li> <li>• What all the works will be done for children health and aam janta</li> </ul>	<p><b>Project proponent</b> - Following work will be carried out</p> <ul style="list-style-type: none"> <li>• Plantation &amp; water sprinkling to control &amp; suppress the dust.</li> <li>• Also personal protective equipments such as dust mask, eye glasses etc will be provided to mine workers.</li> <li>• Also Rs. 2.0 lakh is allocated for villagers; which will be spent in coordination with village health centre.</li> <li>• Provision of Anti smog gun is also there if required. Also the designated budget is there for children and aam janta which will be used for health related activities.</li> </ul>
14.0	Representative from Mining department.	How will you mark the area which is allocated for mining?	<b>Project proponent</b> - The pillar will be installed to mark the mining contract area.
15.0	Sh. Rambir Singh Village Shergarh Tapu	We will not allow mining work here. We know about the problem arises from the mining. All the things which are being told by them are false. Nobody	<b>Project proponent</b> – We will do all work as committed in report.

		true on their words and plant trees. These all are false promises.	
16.0	Sh. Bijender, Karnal	What all work will be taken up for village development?	<b>Project proponent</b> - Under CSR head 2 % of the project cost will be spent for village development. Funds will also be available from District Mineral Fund. As per requirement raised by the villagers' developmental work such as village road construction/ maintenance, village school construction/ maintenance and measures to stop river bank erosion will be carried out.
17.0	Sh. Rajat, Karnal	What all the security/ facilities will be provided to workers of mining?	<b>Project proponent</b> - Drinking water facilities, Rest shelter, also hygiene & safety will be ensured, and for the same budget is allocated under "Water, Shelter and Sanitation for Worker" head Along with it budget of Rs. 5.50 lakh/annum under Occupational Health and Safety is kept which includes ESI scheme; employee training. It will be spent for workers. Medical facilities will be provided to workers under ESI scheme.
18.0	Chairman, Zila Parishad, Karnal	<ul style="list-style-type: none"> <li>• Who will control all the work which is being told?</li> <li>• Will it be the responsibility of mining officer who is setting here as mining is allocated by your good self?</li> <li>• What action will be taken against project proponent if all the said promises/work will not be taken up?</li> </ul>	<b>Project proponent -</b> <ul style="list-style-type: none"> <li>• All the promises made here are getting documented.</li> <li>• The mining department and committee under District collector will monitor the work of district mineral fund.</li> <li>• Every 6 month interval committee meeting will be organized and their suggestion will be implanted for CSR work.</li> <li>• Also in every six month compliance report having details of work carried out by us will be submitted to "Ministry of</li> </ul>

			Environment, Forest and Climate Change" and State Pollution Control Board.
19.0	Sh. Rohtas Malhan News reporter	<ul style="list-style-type: none"> <li>• Tell us one district in which mining is taken place and the promises made by you have been fulfilled.</li> <li>• We want to visit your existing mine and work carried under that mine.</li> <li>• No plantation work was carried out by any other mines then how can you ensure that you will do the promises.</li> </ul>	<p><b>Project proponent</b> - Sir we cannot tells about any other mines. We can only tell about proposed project and work will be taken up under this.</p> <p>This is our first mining project in Karnal.</p>
Written letter also submitted by villagers AS ANNEXURE –D are as -

सेवा में,

Annexure-D

माननीय S.D.M. मधेदप  
करनाल

विषय :- खनन के पट्टे के विरोध हेतु।

श्री मान जी,

निवेदन यह है कि हम ग्राम शेरगढ़ टाणू के किसान आपका ध्यान सरकार द्वारा प्रस्तावित खनन पट्टे से होने वाले नुकसान की ओर दिखाना चाहते हैं। प्रस्तावित खनन पट्टे से गाँव के किसानों की 70% भूमि को कटाव का खतरा है और भविष्य में गाँव की आबादी को भी खतरा है, गाँव के अधिकतर किसान इस खनन के विरोध में हैं, अतः श्री मान से अनुरोध है कि प्रस्तावित खनन के पट्टे को बन्द किया जाए। आपकी धारि कृपा होगी।

धन्यवाद,

Soyam64
